STCG Gift Shop News

We had a wonderful intake of new items for the Gift Shop earlier this month, and now it is well-stocked with a delightful selection of wonderful art.

Cherol & I worked hard to create an eye-pleasing display, and it is disrupted when someone else moves items or adds to the display. Please leave the display as is.

Also, I have been trying to accommodate all the Members who want to bring in items whenever it is convenient for them; unfortunately, this has created a few inventory-tracking glitches. Items have been added or hung on the wall without being input into the POS and marked with a price tag. It makes our Gift Shop appear very unprofessional when the ambassador cannot process a sale.

To make our Gift Shop run as good as it looks, starting immediately, new items will only be accepted into the Gift Shop when I am at the Gallery during a show Intake. That date and time will be published in advance to allow members to plan accordingly.

The next Gift Shop Intake will be Sunday, March 27, 12-4pm. We will be looking for Spring-themed items.
