BackRoads Gallery

*Located inside the new Village 360

The Backroad Vines Winery has requested that we display our artwork in their new facility.

We have 3 large rooms to fill with hanging artwork. At this time, we are not equipped to have items such as sculptures on pedestals.

Free standing may be accepted after it has been reviewed.

All artwork at the **Village 360 Gallery** will be displayed and listed on our website. Purchases will be completed through our website on a computer onsite. Please contact Dennis Ariza at darizaphotography@gmail.com and submit an image, dimensions, media, and price.

Commission will not be taken by the Winery or Gallery. To participate in this Gallery, you must be a Member in good stand and be up to date with your docenting requirements.

Solano Town Center Gallery Update

The air conditioning is now working at 60%. Please do not adjust the controls. The STC is waiting for the remainder of the parts to arrive so the repairs can be completed.

To operate our purchasing system (*Square*), we have installed a Wi-Fi- hot spot. Our hot spot is strictly for business, so please do not surf the web, check email, or use the maps on the iPad. Personal use can cause us to go over on our data plan. The hot spot is not available to the public or our members. If you need to use a Wi-Fi system, the Solano Town Center and AT&T have free hot spots.

23rd Annual Art on the Vine

This year's AOV was a great success. We had 46 artists, 4 bands, and the food was delicious. Most of the Artists did well and as per a survey, would like to return next year.

Next year's 'Art on the Vine' is scheduled for June 11 and June 12, 2022.

We have also set a Fall date for a one-day event on Sunday, September 26. This event is named the '1st Annual The Crush'.

Please sign up for a committee and help out.
