FSVAA Sick/Medical Policy

FSVAA Members in good standing that become seriously ill, or disabled are not required to docent in the Solano Town Center Gallery (STCG).

Members must notify the FSVAA Board in writing, letter, or via email. The FSVAA Board of Directors will review all sick/medical requests on an as-needed basis.

Members on sick leave must renew their Membership at the end of the year to maintain their status during their illness and recovery. However, they are still considered Qualifying Members through the end of the year.

Members that recover from their illness will be required to resume their duties as an active member after completing a refresher docent training.

Qualifying Members are asked to participate in shows at the Solano Town Center Gallery and may display their artwork in the STCG Gift Shop. Qualifying Members that participate in STCG shows may also display their artwork in the Village 360 Gallery as long as they have fulfilled the requirement of docenting in the STCG at least once a month.
